Another pitch-perfect story about an irrepressible, charming, and endearing two-year-old from the creator of Max & Ruby

Can Sophie say the word **Hello**?

No! She just can't say it.

Why?

Because **Hello** and **Thank you** and **Goodbye** get stuck in Sophie's mouth and won't come out.

What can help Sophie say **Hello**?

As always, Granny has the answer to one of the universal problems of toddlerhood!
